

Making a Choice Leaving Certificate

In choosing subjects for the Leaving Certificate **YOU MUST TAKE**

- English
- Irish
- Maths
- Non Exam Religion
- PE

You choose a further 6 subjects from the following list, of which **4 you will study**.

- Art
- Home Economics
- Music
- Physics
- Biology
- Chemistry
- Construction Studies
- Engineering
- Design, Communication and Graphics
- History
- Geography
- German
- French
- Religious Education
- Business
- Accounting
- Economics

- ★ In choosing your subjects, you will choose 6 in order of preference. Once all the combinations have been made, you will then be asked to choose a final 4.
- ★ If you are interested in a particular course for further education, make sure to check the requirements as some courses have compulsory Leaving Certificate subjects that you must sit.
- ★ In general, it is a good idea to choose subjects that you are good at but having an interest is important too.
- ★ Speaking to teachers and students who already study the subject will give a good indication about what is expected in each course.
