

Optional Student Devices

1. Device Cost

- **€549 inc. VAT** – Lenovo ThinkPad 11e Yoga (128GB Model with mCore Processor)
- This can be paid in one lump sum or using Flexi Fi with Monthly instalments of approximately €50 for 12 months.
- Students are not required to buy books as they already have access to ebooks with their existing books.

2. Configuration Cost

- **€40 inc. VAT** – Covering the full configuration, service and support for the full year.
- We work closely with Wriggle who maintain the devices for the school. They get all devices set up initially and provide support to parents throughout the year.

3. Optional Extras

- Case and insurance. These will be explained in detail by Wriggle.
