

5th Year LCAs

- Please be present for these classes. You only need to be present for 1 period a week where the teachers will work with you to complete your key assignments. You will need to speak with each teacher to confirm which day and class you are to be online.
- You may be given work to complete between classes especially in the classes such as Maths and English.
- Please speak with each individual teacher who knows the subject and what you have left to complete.
