Pobalscoil Lios Na Coille Old Bawn Community School

Invitation:

Dear Community Member,

It is with great pleasure that we here at Old Bawn Community School wish to invite you to the launch of our **Monster Car Raffle, Astro Turf fundraiser evening** with special guest, past pupil and Fair City Actor Adam Karim. We here at Old Bawn Community School have a long tradition in the community of building and maintaining strong positive relationships with our neighbours and stakeholders and it is with this in mind that we now invite your support and goodwill.

As the biggest post primary school in the Dublin 24 area we cater for many students and always strive to provide them with a first class education in addition to catering for their many diverse needs, hobbies and co-curricular interests. Our Dominican ethos promotes a wholistic approach to educating and developing the young people with whom we work and we are very keen to provide the best possible sporting and exercise facilities for our school and the greater community.

We are holding our monster car raffle launch night here in the school on **Tuesday April 18thth at 7pm**. The event will last one hour to include the official launch of the event by our special guest in addition to serving some light refreshments. It will also be an opportunity to be one of the first people in the community to purchase tickets for our May draw. Local businesses will also be given the opportunity on the evening to enquire about sponsorship boards that will surround the completed Astro Turf facility.

We would love your attendance and support on the evening. Unfortunately, we will not be able to accommodate all parents/guardians, but we would love to see as many as our hall can hold. Please RSVP by scanning the QR code below and filling your details.

Kind Regards,

Organising Committee.
