

OBCS LEARNING AND TEACHING PLAN

The topics here are broad headings under which we have been working and will extend into the next few years – implementation is gradual and progressive.

The goal is to continue to achieve learning and teaching excellence through common language and staff discussions in these contexts.

Embedding 2022/23+
Focus 2023/24+
Focus 2024/25+

2022/2023 Year for Review under SSE as per circular 56/2022
